YES AND...

SOFT SKILLS & TEAM BUILDING

Improve your team's cohesion, confidence and effectiveness with our highly interactive one-day workshop, developing spontaneity, creativity and listening ability through improvisation. It all starts with *Yes, And...*

YES, AND IS THE ANTIDOTE TO WORKPLACE NEGATIVITY.

THIS WORKSHOP ENCOURAGES:

- embracing ideas to see where they lead rather than leaping in with obstacles
- creativity and acceptance within teams, removing barriers to progress
- being present in the moment, listening carefully, and contributing freely
- adaptability and risk-taking

CONTENT OVERVIEW

The day typically begins with participants getting on to the stage to take part in a series of ice-breaker games and exercises. Emphasis is on making connections and listening to each other. Participants will deliver short one-minute improvised scenes with partners. We move from short comic improvisation to more focused and sustained scenarios which tell a story and conclude the day by practicing feedback, listening skills and showing receptiveness to each other's ideas.

LEADERSHIP UNDER PRESSURE

THRIVING THROUGH UNCERTAINTY

Leadership Under Pressure helps leaders stay calm, connected, and decisive during periods of uncertainty, disruption, and rapid change.
Using the principles of improvisation and experiential learning, participants develop practical leadership skills that can be immediately applied in the workplace.

THIS WORKSHOP IS DESIGNED TO EQUIP YOU WITH A SPECIFIC SKILLSET, INCLUDING:

- Lead confidently through uncertainty and change
- Build psychological safety and team morale
- Strengthen adaptability and decision-making under pressure
- Improve communication and human connection
- Turn challenges into opportunities

CONTENT OVERVIEW

When uncertainty rises, teams look to their leaders for confidence and direction. Through interactive improvisation-based exercises, participants explore how to lead effectively when there is no script and no clear solution.
Using adaptability, collaboration, active listening, and the "Yes And" mindset, participants develop practical tools for navigating change while maintaining trust and team cohesion.
A key feature of this programme is Forum Theatre, where participants work alongside professional actors to rehearse real workplace challenges such as difficult conversations, conflict, underperformance, organisational change, and other scenarios tailored to their organisation.

WHAT MAKES 'LEADERSHIP UNDER PRESSURE' SPECIAL?

- Delivered in the unique setting of The Courtyard Playhouse theatre.
- Facilitated by experienced corporate trainers and professional improvisers.
- Practical, hands-on learning with immediate workplace application
- Realistic leadership scenarios rather than theoretical lectures.

BESPOKE

DEVELOPMENT DESIGNED FOR YOU

We can build you a custom-designed programme to fit with wider aims and initiatives in your organisation

BESPOKE PROGRAMMES CAN BE ONE-OFF EVENTS OR ROLLING PROGRAMMES. APPROACHES INCLUDE:

- In-depth assessment of talent for recruitment or development
- One-to-one business coaching to build self-awareness and work on specific leadership behaviours
- Team building for new, struggling and under-pressure teams
- Enrolling a 'Mystery shopper' to determine if procedures are being followed and standards met across your enterprise

We understand that one size doesn't fit all. Whether you're a multi-national or a small business, we can work with you to produce custom-designed training that reflects the needs of your organisation.

We are the first and only professional theatre company in the Middle East to offer training in conjunction with a dedicated management consultancy, fusing our versatility and dynamism with the experience and expertise of professional business coaches.

Our partners, Davos Consulting, have more than 20 years' regional experience, offer broader HR expertise and a wealth of business knowledge to complement our workshops and create lasting change. Using science as well as art, Davos Consulting offer psychometric profiling for personal and team development, using a range of tools including MBTI, Hogan, 15FQ+, OPQ and EQ.

Call us to discuss your organisation's particular development needs.

OUR TEAM

KEMSLEY DICKINSON

OWNER AND ARTISTIC DIRECTOR

Kemsley is renowned for building one of the most beautiful small theatres in the world: The Courtyard Playhouse. He has raised the level of the performing arts in the UAE, from teaching the only adult acting class available in the region in 2007, to building a thriving and diverse community which we see today. Kemsley pioneered the Keith Johnstone approach to improvisation in the Middle East, becoming the first member of the International Theatresports Institute in region. He is a sought-after role play actor and balances managing a company of over 50 actors producing three shows a week with overseeing the Courtyard Playhouse's Learning and Development team.

SHEHRAZAD FELFEL

CORPORATE OPERATIONS & CLIENT SUPERVISOR

Brings over 7 years of experience within LVMH, with a strong foundation in Customer Experience, Retail Leadership, and Learning & Development. She has progressed into leadership roles, contributing to Corporate Academy initiatives and building high-performing teams across the GCC.
At The Courtyard Playhouse, she plays a key role in the Corporate Academy, managing client relationships and delivering tailored learning experiences. As a facilitator, she uses applied improvisation to help professionals build confidence, strengthen communication, and collaborate more effectively, creating engaging environments where individuals and teams can grow.
