

KIDS' THEATRE BIRTHDAY PARTIES!

THROW A PARTY TO REMEMBER!

Acting fun and games

Tailored to different age groups, our theatre workshop parties are high energy, teach the children storytelling games and take place on the magical stage of a real working theatre.

We are expert at designing activities to suit groups with excitable and shy children. We consult with you beforehand to ensure all children have a terrific time and of course that Mummies and Daddies are happy too: 'coffee or tea anyone?'

Before the party begins you will receive an exclusive personalised digital video invite from us for you to forward to your guests! As the party-goers and parents arrive, our team will gather the children together and start the party workshop: one professional instructor with one assistant making sure that the fun and games flow from start to end.

Our workshop parties feature an interactive showcase for parents to watch, these may feature costumes, props, lights, sound and music. Every birthday features the Happy Birthday song. You can add cake and candles.

Party-goers get theatre popcorn, a juice and water and sword or heart balloon models: even brothers and sisters who are too young to join in yet.

KIDS' THEATRE BIRTHDAY PARTIES!

THROW A PARTY TO REMEMBER!

Exclusive Performance

Our PERFORMANCE PARTY package is the most exclusive children's birthday party in the world: an entire, improvised Children's Theatre show especially for you. Directed by children in the audience and brought to life by our actors on the main stage of the Playhouse Theatre.

Before the party begins you will receive an exclusive personalised digital video invite from us for you to forward to the Birthday guests!

The entire event is staffed by our tech' team, backstage crew, ushers, actors and theatre staff, all you do is arrive, grab some popcorn and enjoy.

Join us for our most popular Storytime at the Playhouse: our magical... 'What Comes Next?' - children help create the characters: goodies and baddies, costumes and music and of course what comes next throughout the entire show. All performances are wholly interactive and original.

After the performance our team will host party games on the main stage including limbo, balloons and party dances, giving you the opportunity to light the candles backstage before singing the 'Happy Birthday' song.

The Exclusive Performance Party Package at the Courtyard Playhouse ensures that from the minute you book until the very end every little detail is taken care of: invitations, food and drinks, cake and magical entertainment. So book now and let us deliver a Birthday Party that parents and kids will talk about until next year comes around!
